LOCAL FACILITIES

There is a very good choice of shops and all the major supermarkets can be seen within a short radius. Also, for some real, extended retail therapy a visit to any of several big shopping centres in and around Glasgow or Edinburgh is not a problem. Health facilities of all kinds including dentists and opticians are excellent as are transport links with a superb road network, long established bus routes and Bellshill Railway Station. Every kind of qualified tradesperson is to be found in Bellshill and this is a place that takes a pride in doing things properly.

QUARRIERS GAIT, BELLSHILL. AN EXCITING DEVELOPMENT OF SUPERBLY DESIGNED NEW HOMES IN EXACTLY THE RIGHT PLACE.

OUT AND ABOUT

Every kind of sporting and outdoor recreational activity is available here. If the many and varied activities in Bellshill itself aren't enough for you the larger towns of Hamilton and Motherwell are very close and the excellent motorway and transport links will take you anywhere in the country. Without any great travel effort you can participate in cycling, walking, athletics, tennis, golf, bowls and all the team sports. Strathclyde Country Park is nearby. There is no excuse for not being successful in your chosen sport when you live here. Bellshill has produced a very long list of highly successful sportsmen, many of them household names including Sir Matt Busby. For generations the beautiful countryside of Lanarkshire was hidden by heavy industry. Now, the beauty has returned.

EDUCATION

Bellshill is very well served by a selection of Primary Schools and two large Secondary Comprehensives. For further education there are many centres to choose from across Lanarkshire and travel to the many educational establishments in both Glasgow and Edinburgh could hardly be easier situated as the town is so close to the motorway and with its own town centre rail station.

Quarriers Gait, like every Dawn Homes development, will be a perfect blend of house styles and sizes all built to the highest standards and, equally important, located right where people want to live. There will be nine different house types, 2, 3 and 4 bedrooms, terraced, semi detached and detached and when complete, a 73 homes community and a wonderful investment for the family and the future. Dawn Homes developments sell out very quickly. That's due to their reputation for quality of build, superb design, superior fittings and legendary customer service levels. Quarriers Gait is ideally situated to benefit from all the amenities that this established residential area has to offer. Visit our website to make contact and our development consultants will be happy to answer all your questions and outline everything on offer here at Quarriers Gait.

QUARRIERS GAIT

As you will see on the site plan, Quarriers Gait will be a most attractive new part of this historic area. Study the layout, another example of thoughtful planning. Once upon a time, stone quarrying was the main source of employment before that was replaced by deep coal mining and the pits of Bellshill played a major part in fuelling the industrial revolution. Now, residents are very much part of the electronic age and there is a fresh vibrancy in the air. The addition of 73 beautiful new homes will add to the spirit of optimism and provide the perfect setting for the modern family. Where you live is just as important as what you live in and Quarriers Gait gets it absolutely right.

Quarriers Gait | **DEVELOPMENT PLAN** BELLSHILL

As you will see on the Development Plan Quarriers Gait has been very carefully designed and laid out. Like all Dawn Homes developments, before an inch of turf was cut we carefully considered and planned how best to make this new residential area a very desirable place to call home. Look at the plan carefully and you'll see that we will have nine very different house styles, 2, 3 and 4 bedrooms, terraced, semi detached and detached. We have planned for a very happy and satisfied community in Quarriers Gait. You'll see that on the plan, then you can come and see it for yourself.
